Collection Tip #1

A convenient way to carry your collected items is to buy **large, rectangular laundry baskets or large plastic storage tubs!** The baskets and tubs are then given to our new families.

Collection Tip #2

If you are buying new items, buy **generic brands** of products rather than brand name. Buying generic brands allows you to buy more items for less, which will support more families.

**Thank you for helping new Americans feel
welcome in the St. Louis community!**
